A WORLD OF WELSH OPPORTUNITIES...

Despite being home to some of the UK's most innovative start-ups and promising entrepreneurs, Wales falls far behind the rest of the UK when it comes to raising capital.

We want to change this.

Keeping up to date with the Welsh investment landscape is hard. Talent is scattered, information is fragmented and opportunities are lost. **We want to change this.**

Our mission is to bring together investors and business founders in Wales and within the GlobalWelsh community around the world and offer entrepreneurs and investors the opportunities they deserve...

Our objectives are to...

CONNECT:

Help our members develop valuable relationships

REPRESENT:

Champion the views and interests of the diaspora and Welsh businesses

PROMOTE:

Help raise the profiles of businesses in Wales and within the diaspora

EDUCATE:

Set the industry standard on investment best practice in Wales

INCREASE PROSPERITY:

Drive inward investment and increase wealth creation

“This new portal could be a game changer for the Welsh start-up scene. As a VC, I see a lot of entrepreneurs and I can tell you, there’s no difference between the level of talent I see coming out of Silicon Valley, and the level of talent I have seen in Wales, zero.”

David Buttress,
GlobalWelsh Investor Portal appraisal committee chair, JustEat Founder and ex-CEO,
Chairman of Dragons Rugby, and venture partner at 83NorthVC
