FAQs

GlobalWelsh for Business

GlobalWelsh for Business is a tiered business membership for businesses in Wales and around the world.

Passion for Business

GlobalWelsh has strong entrepreneurial roots. As a start-up run by entrepreneurs and seasoned business leaders, we understand the risks and challenges that come with growing a successful business. We also know about the opportunities and the solutions that come from investing in your network. Especially a network that shares a passion for Welsh success, in Wales and around the world.

The Welsh business diaspora is made up of tens of thousands of amazing people with success stories of their own. Each with a unique connection to Wales and, most importantly, an unwavering desire to give back and support Wales in any way they can. We want to enable Welsh businesses to connect with those people, which is why we have put together this membership programme, to help Welsh businesses find those important connections around the world.

Opportunities for Business

Through connection comes opportunity. Often, the best opportunities are the kind that you never saw coming. Through our Connect platform and range of features, programmes and initiatives we provide a foundation for people to uncover those opportunities through a network of people with a unique something in common.

Whether it's finding a mentor for your most promising business talent, reaching out to find a new overseas partner, seeking market knowledge or advice or showcasing your business to others. There is a world of opportunity out there waiting to be found.

Knowledge for Business

The collective wealth of knowledge within the community is huge. Some of the world's leading business minds, industry experts and successful entrepreneurs are connected to Wales. We facilitate the sharing of knowledge, insight, experience and perspective, working with world-class Welsh minds, organisations and partners. Those who've been there, done that, and can help businesses avoid the pitfalls and fast-track their journeys.

People for Business

People are what GlobalWelsh is all about. People are central to any business' success. Today, smart businesses are not only hiring based on skills and experience but also networks. Investing in your employees and their networking skills can be invaluable to your business. That's why we're enabling Business Members to nominate who they want to represent them, network for them. Through the new Careers feature, businesses are now able to promote their job, internship, contract opportunities to the world and attract ambitious talent at home and away.

Please note: GlobalWelsh for Business is only available to private-sector businesses.

However, GlobalWelsh is open to collaboration with other types of organisations. If you are a third sector (e.g. non-profit, charity) or government organisation and wish to discuss partnership or collaboration opportunities please get in touch with us via hi@globalwelsh.com.

WHAT'S NEW?

Introducing a range of new business focused benefits especially to accommodate evolving business needs and enable businesses and their people to connect and collaborate, locally, globally and home in Wales.

Careers

Our new Careers section on Connect is a shop window for the best career opportunities. A chance to showcase your opportunities and attract some of the best Welsh talent at home and away.

Some people are just looking for a reason to come back to Wales!

Business Directory

Our new Business Directory will be a showcase of all GlobalWelsh business members. Create your own Business Showcase page so that other members around the world can search and find out more about your goods or services. Through the Business Directory, we want to foster a 'buy Welsh' mindset when members are procuring goods and services for them or their businesses.

We'll also help you to promote it to the wider world via our social channels!

Members Hub

An exclusive networking space for all business members to connect, collaborate and share ideas, challenges, knowledge and opportunities with one another in a private setting.

Events & Masterclasses

Exclusive business-focused thought leadership and networking events and GlobalWelsh Academy Masterclasses with some of the world's leading Welsh minds and companies.

GlobalWelsh Invest

Our investment initiative supports the most exciting and ambitious start-up and scale-up businesses in Wales, and around the world, to raise 'smart capital' from within our community of passionate investors.

Access to this initiative is now available exclusively to Business Members on an application basis.

To enquire, contact investors@globalwelsh.com.

COMING SOON... Leaders Hub and mentoring

1

SMALL

Who's this membership for?

Please allow up to 5 working days.

The Legal Bit

Please read our Terms and Conditions before applying for Business Membership.
[T&Cs can be found here >>](#)

What's the difference between a Business Member and Business User?

The business is the "Business Member". The employees, or representatives, nominated by the company to access GlobalWelsh Connect and the membership are the "Business Users". They will be allocated a Business Membership.

How many users can my business have?

You will get a certain number included as part of your membership fee but you can add additional users as required. See package overviews for details.

What's the difference between a Business Members & Pioneer or Pathfinder Members?

In addition to the features and benefits of Pathfinder/Pioneer membership, GlobalWelsh for Business offers Businesses and their employees access to additional business features (Business Hub, Business Directory and Careers), programmes, such as GlobalWelsh Academy, and events. Users will be able to network and engage on behalf of the business.

Why would my application be unsuccessful?

Your business would need to have a link to Wales. Either the company has a base in Wales or the founder or someone working in a senior position within the company has an affinity for Wales e.g. born, worked, studied, lived, ancestry.

Does my business need to be located in Wales?

No. Your business could be located anywhere in the world but it must have a connection to Wales as we are fuelled by that unique connection and the power of that diaspora engagement.
